

Simple media tools can be used to great effect. No longer do you need a lot of money and equipment to create your own work but you do need to know HOW. These sessions will get you started, improve on whatever you may do already and also include some advanced tricks for those who already have some skills.

To book your place on any of the training days, either call Sabbi on 0161-234 2975, or email: [admin@can.uk.com](mailto:admin@can.uk.com)

Full details at: [www.can.uk.com/exodusdigital](http://www.can.uk.com/exodusdigital)

All sessions run from 10am-4pm except where otherwise stated. All take place at CAN (Community Arts North West) except 18th Feb at Radio Regen.

We can pay for your travel if you are unwaged. Refreshments will be provided. Both buildings have full disabled access. Please contact us if you have further access needs.

All training takes place at:  
Community Arts North West (CAN)  
Green Fish Resource Centre  
46-50 Oldham Street  
Manchester M4 1LE

Except on 18th Feb, at:  
Radio Regen,  
12 Hilton Street,  
Manchester M1 1JF

Book your places NOW - either telephone Sabbi on 0161-234 2975 or email: admin@can.uk.com

All sessions run from 10am-4pm and take place at CAN, except where otherwise stated.

1. Mon 15th Feb.

## **A Practical Introduction to Creating Your Own Internet Sites**

Create a free blog, even use it as a website, use social networking tools such as facebook, understand YouTube channels, Podcasts and Websites.

TUTOR: Mick Chesterman from People's Voice Media.

2. Tues 16th Feb.

## **Musician's guide to basic home audio-recording/mixing and using net media for promotion**

Today, more and more musicians can record good demos, get them online and even sell music – its time you joined in.

TUTOR: Serge Tebu from Beating Wing Orchestra

3. Thurs 18th Feb, incl. free lunch.

at Radio Regen, 12 Hilton Street, Manchester, M1 1JF

## **Recording and mixing sound for stories, radio, podcasts, theatre**

Good sound is essential for so many media and performance projects, radio is booming, more and more writers are recording their work as audio.

TUTOR: Anne Harbin from Radio Regen

4. Weds 24th Feb, 11am-2.30pm.

## **Simple and basic methods for creating great photographs and logos**

The key things that make websites or any online pages and mailings stand out are photos taken with good lighting and composition, and a strong logo – find out how.

TUTOR: Richard Ramchurn from CAN.

5. Tues 2nd March.

## **Simple and basic methods for creating great video**

Many people now have some basic equipment or gadget that films video. If used carefully it can produce great results. Learn how to shoot and edit well with simple tools, especially for journalism, campaigning, and internet use.

TUTOR: Richard Ramchurn from CAN.

6. Friday 5th March (Previous video-making experience required).

## **Masterclass: directing actors and local people for film and video**

The biggest thing that often lets down any video drama is the acting. Find out how to use improvisation to get natural performances, develop stories, understand scripts and plan a shoot.

TUTOR: Kooj Chuhan from Virtual Migrants.

7. Mon 8th March, 10am-2.30pm. WOMEN-ONLY SESSION. Childcare and lunch provided.

## **Campaigning using digital and net-media (incl. video)**

The basic principles, methods and techniques needed for using the internet as a part of campaigning strategies, including websites, blogs, petitions, youtube, facebook, mailing.

TUTOR: Mick Chesterman from People's Voice Media.

8. Thurs 11th March, 10.30am - 1.15pm.

## **Promotion, dissemination, distribution.**

Promoting, distributing, marketing and getting your work out there using the internet – whether it is writing, art, photography, film, journalism, music, dance or acting, how can the internet help you reach more people. An essential session for all creative people.

TUTOR: Chi-chi Ekweozor from Real Fresh TV, supported by Manchester Digital Development Agency (MDDA).

9. Thurs 11th March, 1.30 - 3.30pm including free lunch.

## **Networking Social & Project Development drop-in.**

You now have some skills, maybe starting some work, or have some ideas and need some support. Come along and meet people, get one-to-one advice, gain contacts and see how CAN's Media Lab and other projects might support you or get you involved.

FACILITATORS: Kooj Chuhan, Mick Chesterman & Yasmin Yaqub.
