Community Arts North West

Community Arts North West (CAN) is a leading UK organisation in the field of participatory arts, migration and social change. CAN's pioneering work aims to create expression and visibility for the diverse communities and artists based in the region through dynamic partnerships and inspirational programmes of work. It is an Arts Council England - National Portfolio Organisation and Manchester City Council Cultural Partner 2023-2026.

CAN is at the forefront of contemporary, inter-cultural arts practice and has been a leader in the field of participatory arts since 1978. We have a particular expertise and interest in arts & migration. We work in partnership with culturally-diverse communities, artists, cultural and third sector agencies in Greater Manchester, to develop unique, creative projects with people whose voices are not normally heard in the mainstream.

Through exciting, high-quality and meaningful creative projects CAN shares powerful creative work; shining a light on new talent and fresh voices, and enriching Greater Manchester's cultural landscape.

CAN's particular specialism are projects that bring together people from across cultures and communities. We work across a wide range of art-forms including new theatre, live interactive mixed-media performance-based work, new music, digitally created arts, festivals, events and new platforms for sharing and distributing work.

CAN's work is firmly rooted in social justice and driven by ethical values:

- We stand in **solidarity** with people at the sharp end of poverty and oppression, believing that everyone is creative, and through cultural expression, people on the margins can have a voice and provoke change.

- **Co-creation and shared leadership** are crucial for CAN in developing deep and lasting connections with communities, young people, artists, audiences and partners.
- We champion **equality** and strive for **diversity** in the artists we work with, our staff and Board, and the organisations we choose to work with.
- We **welcome** new migrant communities as collaborators and creative partners; and we are a home for emerging artists, especially those who are new to the UK.

Plans for the future

CAN is at an exciting point in its development. Funding from Arts Council England as a National Portfolio Organisation (NPO), and Manchester City Council Cultural Partner is secured for 2024-26.

Recent and current programmes include:

- The annual **Horizons Refugee Arts Festival** co- created in partnership with HOME and the Arts and Migration Network, now into its 6th year.
- **CAN Young Artists (CYA)** 3-year performing arts programme with young refugees and asylum seekers in Manchester.
- **World of Song** partnership-project with Band on the Wall, a recently launched multi-strand two-year music-heritage project exploring and showcasing new music brought to Manchester through migration.
- **Force of Nature** climate-change music & spoken-word community project that toured to Greater Manchester libraries.
- **Rochdale Women's Voices** International Women's day project working with women's groups from Kashmiri Youth Project(KYP) and Hopwood Hall College.
- CAN featured in the UNHCR UK **A Great British Welcome** exhibition which tells the story of how communities across the UK welcome people who have been forced to flee their homes. The exhibition launched in London in 2023, and then toured to Manchester following a launch event at Manchester Art Gallery.
